---

## Profile

---

- ❖ **Self-taught full-stack developer** that started programming in Dec. 2021
- ❖ **Quick learner** that is confident in being able to adapt to any new technologies
- ❖ Capable of **designing** and **implementing** responsive front-end web designs
- ❖ Looking forward to working on a **meaningful project** in a **team environment**

## Skills

---

- ❖ **Technologies:** HTML, CSS, Javascript, Typescript, ReactJS, NodeJS, Express, MongoDB, Mongoose, TailwindCSS, Rest API, Git, and React Router
- ❖ **Languages:** English, Vietnamese (Limited Proficiency), and Korean (Limited Proficiency)

## Projects

---

### Arkoko ([Link](#))

Dec. 2022 - Jan. 2023

React, NodeJS, Express, MongoDB, Typescript, and TailwindCSS

- ❖ Developed a full-stack web application using the MERN stack for the game “Lost Ark”
- ❖ Built a backend API with Node, Express, and MongoDB with multiple endpoints for game data and files
- ❖ Created multiple tools and calculators for users to simplify difficult in-game decisions using the backend API and the “LostArk Market Online API”

### Snippits ([Link](#))

Jan. 2023

React, Typescript, TailwindCSS, and PrismJS

- ❖ Implemented a website with the goal of providing programmers a repository of code snippets
- ❖ Utilizes PrismJS for automatic syntax highlighting for all code snippets for easier consumption
- ❖ Integrated React Router for seamless transitions between links while browsing the website

### AniFlux ([Link](#))

Feb. 2023

React, Typescript, and TailwindCSS

- ❖ Designed a website that showcases comprehensive information about anime through the “JikanAPI”
- ❖ Used dynamic routing with React Router to allow users to see detailed data on any single anime
- ❖ Integrated functionality to allow users to view all anime that are currently airing, are in the top 100 of all time, or the choice of any random anime

## Education

---

### York University

Sept. 2014 - Apr. 2018

Honors BA. in Psychology

Toronto, Ontario

- ❖ **Key Courses:** Critical Thinking, Social Psychology, Cultural Psychology, and Health Psychology
